Let us do the thinking

We help you create brand
items for your events.

Let us do the thinking

Just give us:

- **Brief description of your project**
- **Time of delivery**
- **Your approximate budget**

The process is simple

What you get is

- Creative and relevant proposals
- High-quality products
- Competitive prices
- Responsibly sourced products*
- Carbon Neutral Shipments

*The Profile Store team put great effort in offering responsibly sourced, high-quality products that will serve as pleasant reminders of Chicago Pneumatic. Manufactured in accordance with the Chicago Pneumatic Code of Practice

REQUEST

" We have a new CP product. The Red Rock. Some nice gift ideas is what we need. Want to keep it 5-10 EURO. Some type of engraved red rock or something."

SUGGESTION

The Profile Store suggested lots of different items inspired by the Red Rock. 500 pieces coasters, pins and clocks were orders. Delivery time around 2-3 months

What about distribution?

We offer you a web based ordering tool, warehousing, pick & pack and distribution.

All we need from you is a guarantee to purchase the agreed quantity within the decided time frame (campaign period) and a predetermined invoice address.

When ordering your campaign item you can easily add other items from the Profile Store in the same shipment.

ADDITIONAL EMBROIDERY

Personalize the Profile Store items

We can also apply name/text embroidery to the existing Profile Store textile assortment. You will find the item Name Embroidery with instructions in the Apparel category.

Name embroidery

We can apply name embroideries to your ordered products. Place the number of units you like us to embroider and fill in the attached excel, available for download below.

To order:

Email the completed excel file to profilestore@creon.se. Please remember to fill in the order number in the excel file.
